Your Health & Wellness Clinic Is making scheduling healthcare visits even easier

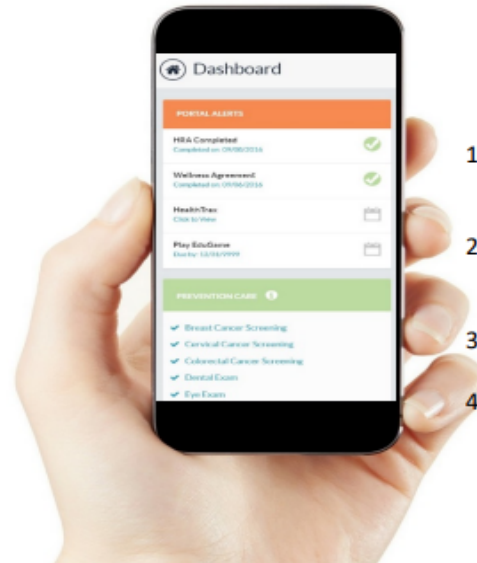

We've got the look

By creating an account on our Member Portal, you can schedule your appointments, and track your health and wellness easier than ever before. With helpful applications and a mobile-friendly layout, the portal provides you with everything you need to manage your health care in one place.

The Portal is your one-stop resource for:

- ✓ Scheduling appointments at the clinic
- ✓ Tracking wellness compliance
- ✓ Timely health alerts
- ✓ Uploading lab results
- ✓ Tracking scheduled appointments
- ✓ Personal Health Record
- ✓ Managing medications
- ✓ Helpful wellness resources

Get up and running

To register for your Member Portal follow these steps:

1. Visit www.healthgram.com and click "Account Login" then click "Members"
2. Click the "Need to Register?" link directly below the login button
3. Enter the required security information.
4. When registration is complete, you will be routed back to the home screen.

How to schedule an appointment through Your Member Portal

Step 1: Once you have registered, login to the Member Portal by going to members.healthgram.com. Use your username and password to login.

Step 2: From your dashboard, select "Schedule New Appointment Online" under "Appointments"

Step 3: On the Appointments page, (1) select the patient you would like to schedule the appointment for and provide the contact information. (2) Then, select your clinic and fill out the required information below. (3) Select an appointment time from the available options shown. *If you cannot find an available time, please call the appointment line at 1-844-208-2798.* Once complete, click Schedule Appointment.

A screenshot of the 'Schedule an Appointment' form. The form is divided into three main sections, each with a numbered step indicator: 1. 'Patient Information' (orange header), 2. 'Appointment Information' (green header), and 3. 'Available Appointments' (blue header). Step 1 includes fields for Patient Name, DOB, and Contact Information. Step 2 includes fields for Preferred Wellness Center, Type of Appointment, and Reason for Appointment. Step 3 shows a list of available appointment times and staff members. A yellow box highlights the 'Schedule Appointment' button at the bottom right.

Step 4: Confirm your appointment details then select "Schedule Now".

Step 5: After scheduling your appointment, you will receive a confirmation email from medsupport@healthgram.com. This email also contains a link to add your appointment to your calendar.

A screenshot of the 'Appointment Confirmation' page. It displays the details of the scheduled appointment, including the appointment date and time, the clinic location, the type of appointment, the reason for the appointment, the member's name, contact phone number, and contact email. A yellow box highlights the 'Schedule Now' button at the bottom.

Appointment Scheduled Successfully

Your appointment has been scheduled successfully. You may access your appointment details at any time within Healthgram's member portal.
